

**"COOINOO"—HOME
FOR DESTITUTE GIRLS**

**YOUR MONEY
IS THE ANSWER
TO THIS PRAYER**

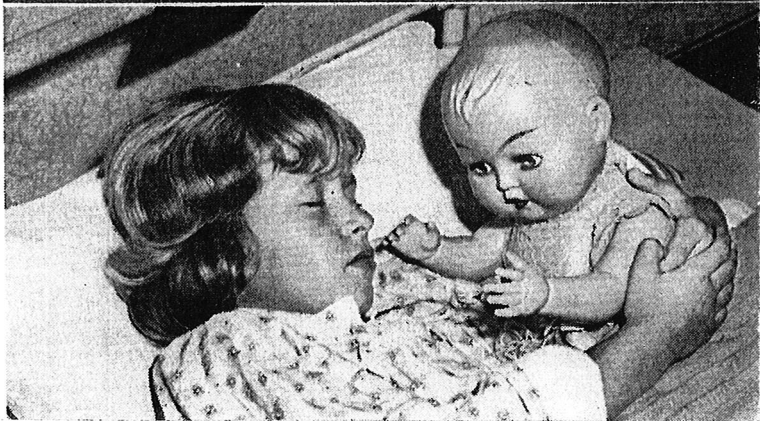

This girl has come to know "Cooihoo" as a real home in every way. There is a well kept library where books for all ages are provided for. (Perhaps you could help enlarge our library of children's books.)

This little girl feels secure and loved because others have seen her need and responded. We are thankful for the many friends who care for her welfare.

Mealtimes are a happy time. A television set given by one generous friend of the home gives many hours of enjoyment to the girls.

THIS IS WHAT YOUR MONEY MEANS!

The maintenance of the fabric of this building; the place in which the children live; the provision of amenities to develop the minds of those who live within its walls. "Cooinoo" is wholly dependent on your gifts. Over £60 per week is needed to keep the home open. There is room for four more girls if more funds were available.

"Cooinoo" is an interdenominational home where the truly dedicated Matron cares for the children's health and spiritual upbringing.
