Details

Bethany Community Support, a child and family welfare agency, was formed in 1977. Formerly, Bethany operated as an adoption agency and babies home, and was known as the Bethany Babies' Home. Bethany Community Support is an independent, voluntary organisation with no political or religious affiliations.

In December 2008 Bethany opened its new offices in Grovedale at Shop 10, 147 Marshalltown Rd. A number of programs are located there including Innovations Casework, Housing, Community Kitchens, Homework Clubs and Saver Plus.

In 1977, when Bethany ceased operations as an adoption agency and babies' home, all records pertaining to individuals, placements and adoptions were transferred to the Department of Human Services. These records can be accessed through the Family Information Networks and Discovery (FIND).

Bethany Community Support has retained some historical records of a general nature and also holds a number of old photographs, some donated by former mothercraft nurses. However there is little background information to put the photos into context.
