

CatholicCare Victoria

2011 –

Other Names: • CatholicCare

URL: <http://www.ccam.org.au/>

Details

CatholicCare was formerly known as Centacare Catholic Family Services. The name change was in line with other organisations within Catholic Social Services Australia, the peak body for Catholic community service providers in Australia. The new name was adopted to emphasise the continuing links between these services and the mission work of the Catholic Church. In 2021, the organisation was renamed CatholicCare Victoria, reflecting a merger with CatholicCare Sandhurst and Centacare Ballarat.
