

Miroma Special School

1966 – 2010?

Details

Miroma Special School was a Steiner School located in Vaucluse from 1966 to 2010. It was established by Susan Haris, a teacher who had trained at Inala in Cherrybrook. It is not clear when Miroma stopped providing residential care to children but by 2010 it was primarily offering services to adults with intellectual disabilities and had merged with Inala Disability Services (which was also a former Steiner school).
