

Department of Primary Industries, Parks, Water and Environment

c. 2008 –

Other Names: • DIPWE

URL: <http://dpiuwe.tas.gov.au/>

Details

The Department of Primary Industries, Parks, Water and Environment is involved in activities that concern the built heritage, the environment, agriculture, fisheries, aquaculture, and the management of property, titles, and maps.

One of the Department's predecessors, the Department of Environment and Planning, was sometimes involved in planning for the buildings occupied by children's Homes.
