Details

CREATE Foundation (formerly known as the Australian Association of Young People in Care AAYPIC) was established in 1993 to provide an independent voice for children and young people in out-of-home care. CREATE seeks to connect and empower Australian children and young people in care and, change the care system through activities, programs, training, research and policy advice. CREATE Foundation conducts and participates in research, advocates for and advises on policies that support young people in care and leaving care, and keeps and publishes statistics relating to children and young people in care in Australia.
