

South Perth Library

8 March 1960 –

Details

South Perth Library is located in South Perth, Western Australia and was established on 8 March 1960. It is one of two City of South Perth libraries. The library holds a large collection that contains digital and traditional items, including, books, music CDs, DVDs, talking books, magazines and photos. Also housed at the South Perth Library, is the local history collection. This contains books, photographs, aerial maps, cartographic material, oral history interviews, objects, artworks, ephemera and local newspapers. The Picture South Perth Photograph Collection is an online collection of digitised photos from the local history collection.
